

# ROCKY RIVER TRIBUTARY STABILIZATION AND RE-ALIGNMENT ALONG RIDGE ROAD IN NORTH ROYALTON

North Royalton, OH

ROCKY RIVER · SMALL TRIBS TO ROCKY RIVER EAST BRANCH

## Summary

The project will address ongoing bank erosion that is beginning to encroach on the Ridge Road ROW. The un-named tributary to the East Branch of the Rocky River was relocated at some point in the past to accommodate Ridge Road. The stream is attempting to re-establish a more natural meander pattern and is eroding toward the roadway. A new channel will be constructed and the road embankment will be stabilized.

## Project Details

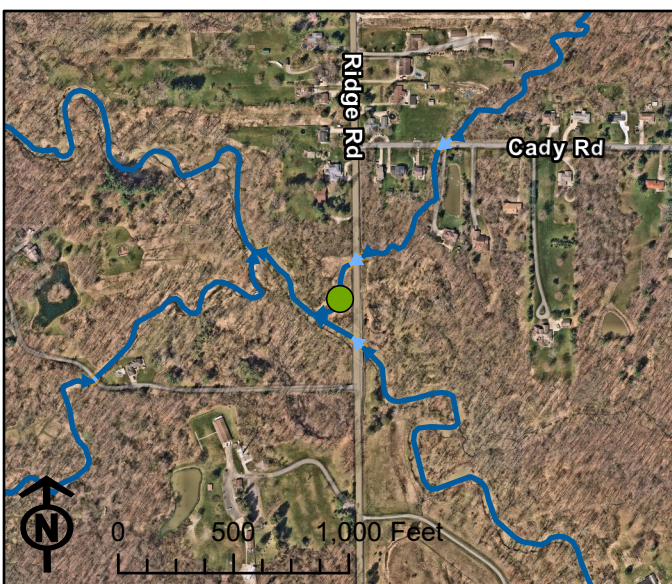

**Asset ID(s):** RY00434

**Contract Type:** Design/Bid/Build

**Construction Cost:** \$389,711.28

**Completed Date:** September 29, 2021
