

HEMLOCK CREEK BANK STABILIZATION IN SEVEN HILLS PHASE 1

Seven Hills, OH

CUYAHOGA RIVER NORTH · HEMLOCK CREEK

Summary

This project involves the purchase of several houses being threatened by erosion and flooding due to their close proximity to the creek. This portion of Hemlock Creek will then be restored by restoring a natural stream channel, expanding the floodplain of Hemlock Creek, and replacing two roadway culverts to allow the creek to more safely convey flow during larger storm events.
