

MILL CREEK STABILIZATION AND FLOODPLAIN RESTORATION

Highland Hills, OH

CUYAHOGA RIVER NORTH · MILL CREEK

Summary

The District partnered with the West Creek Conservancy in provided matching funds for this OEPA Section 319 grant-funded project to restore an eroding segment of Mill Creek in Highland Hills, south of Patterson Parkway. The project restored approximately 600 feet of stream by correcting the meander pattern to reduce lateral erosion to more natural levels and constructed stable riffles and pools to improve in-stream habitat.
