

FOSTER'S RUN STREAM RESTORATION

Mayfield, OH

CHAGRIN RIVER · UPPER 40/FOSTER'S RUN

Summary

The District partnered with the Cleveland Metroparks by providing financial assistance for this H2Ohio funded project, located in the North Chagrin Reservation. The downstream reaches of the stream channel had suffered severe erosion and incision. The restoration effort completed by the Cleveland Metroparks included the removal of 30,180 square feet impermeable surfaces to reduce erosion; the restoration of ~0.37 acres of wetland habitat, and the restoration of ~1,440 linear feet of stream restoration to improve stream hydrology and habitat.
