10' RELEVANCE</

- The project aims to create a peaceful outdoor space that promotes relaxation, meditation, and counseling.
- The proposed GI SCMs will capture and manage runoff from up to 60% of the Project's total impervious area.
- The informational signage describing the GI project will help to bring awareness to the Kingsbury Run Consolidated Sewer (KRCS).
- The JCRC project can also be designed to offload stormwater from the KRCS into its proposed stormwater control measures.
